Prayer Focus

October 2009

Dear Prayer Partners:

Please pray for Weldyn: He will make his doctoral defense on Friday at 4 pm. He will fly to Los Angeles Thursday afternoon. In advance, thanks for your prayers.

Please pray Barb's brother, Gary. Gary has MS. The last couple of weeks have been difficult. With winter coming on, the cold make it very hard for him to be mobile. Thanks for your prayers.

May the Lord continually bless each and everyone!

Thanks!
