Dear Friends,

This newsletter continues the journey from our last newsletter. Through pictures please join our journey to Thailand, American Samoa, Samoa, Mongolia, Tokyo, Japan, and finally a send off for Lindsey and Julia from the US to Uganda.

In August three Bible schools from American Samoa and Samoa gathered for their first joint Faculty Retreat. We shared in the sessions on Teaching and Learning concepts.

While consulting with 2 Thailand Bible Schools, we met up with a former graduate from our time in Singapore. Danny currently mentors several pastors and missionaries in Southeast Asian countries.

Weldyn enjoyed his Mongolian class, "Spiritual Formation in Ministry."

At a joyful 75th Anniversary Celebration in Sidney, Montana (MT), we had the joy and privilege of sharing our ministry in the Asia Pacific Region; and visiting with our former Trinity Bible College students who pastor in Wolf Point, MT.

In Japan it was a joy meeting with two of our Northwest University graduates who now work back in their country of Japan. Mikako and Yuki are special ladies shining for Jesus in their homeland.

Weldyn attended the board meeting for the Asia Pacific Theological Association (the theological accrediting board for the Asia Pacific Region) in Japan.

Watching Japanese worship in their temples reminds us to pray for Japan. Please pray with us.

A send off party was held for two of our Northwest University graduates (two on the left). They begin their mission's ministry in Uganda in October. Please pray for the LORD'S anointing on their lives and ministry.

We want to express our sincere appreciation and gratefulness for your partnership in the mission field (Asia Pacific Region). Your support is very crucial as we teach, assist, consult, and minister within Bible Schools throughout the region as they prepare and equip new laborers for the Harvest Field. Please visit [www.hougerhome.com](http://www.hougerhome.com) for current updates and prayer requests.

May the Lord richly bless each of you as we labor together for the sake of the Kingdom of God!

Because of His Mission,

Weldyn & Barb Houger
